Mary's Meals Ireland

Registered Charity: 20061920 | CHY Number: CHY16897 | Company Number: 420286

One of the great risks today in this world where there are so many hunger crises going on is that we can feel overwhelmed, especially with so much uncertainty around us. We can mistakenly think that there's not really anything we can do, but we can all do something very concrete for at least one child.

Last year, I was reminded that at the heart of Mary's Meals are gifts – gifts given and gifts received. I'll never forget an encounter with children in Tigray, Ethiopia, who, hungry themselves, decided to share some of their food with hungry children at their school gate.

Mary's Meals as a provider of hope – in the life of one child and in the world more broadly – is more important than ever. And so are each of our actions in support of this mission – no matter how small they might feel to us. So please, let us continue to do what we can to walk faithfully alongside the world's very poorest little ones, who are at very great risk of being forgotten right now.

I thank you with all my heart for every gift that you share with Mary's Meals.

MARIAN PILGRIMAGES

RENEW OUR SPIRIT OF LOVE, FORGIVENESS & PEACE

Marian Pilgrimages: A Journey of Faith and Charity

Thank you to our Sponsor

For over 30 years, Marian Pilgrimages has been leading pilgrims on life-changing journeys to Medjugorje, a place of profound peace, prayer, and conversion. As specialists in Medjugorje pilgrimages, we have witnessed countless people encounter the grace of Our Lady, deepening their faith and finding renewed hope in their lives.

One of the most beautiful fruits of Medjugorje is Mary's Meals. Founded on the simple yet powerful vision that every child deserves a meal in a place of education, Mary's Meals now feeds over 2.6 million children every school day in some of the world's poorest communities. It is a testament to how Our Lady continues to work through those who answer her call.

At Marian Pilgrimages, we are deeply honoured to support Mary's Meals Ireland and the Auction for Hope, celebrating 20 years of Mary's Meals Ireland. Through our sponsorship, we wish to give back to the mission that has transformed so many lives, just as Medjugorje has transformed the hearts of those who travel there.

As pilgrims, we embark on journeys of faith. As supporters of Mary's Meals, we help ensure that children embark on their own journey out of hunger and into hope.

Join us in prayer, in pilgrimage, and in making a difference.
